

COMPILERS: H.L.HALL, M.A., R.L.EVANS, M.A..

Numerous requests to receive the Bulletin, from Old Boys not in the services, have come to us. Bulletins, therefore, are being sent out to all Old Boys whose addresses we know. Hence the change in name to: B.C.S. BULLETIN TO OLD BOYS. Well over 500 copies of this issue are being mailed. Your compilers would welcome news and whereabouts of all Boys, and would appreciate receiving addresses of any Old Boys not yet receiving the Bulletin.

To those Old Boys receiving the Bulletin for the first time, we send School greetings and hope that upon their receiving news of the School, many pleasant memories will be revived.

The main purpose of the Bulletin is to keep Old Boys in touch with one another and with the School. That this aim is being achieved is evident from the many appreciative letters received to date.

The first Bulletin appeared in October 1941, and since then they have been issued at regular intervals. During the past two years, a copy has appeared every two months of the school year. From very small numbers sent out, the mailing list now stands between 500-600 and it is the hope of the compilers to increase this even more as more addresses become known.

Now and then, we are asked to give more news of 'older' Old Boys. This we would gladly do if the 'older' Old Boys would write us telling us about themselves, their Old Boys friends, and their doings. That this would make interesting reading for all Old Boys, goes without saying. One or two such letters would soon encourage others, and soon many school friendships grown weak through the years would, perhaps, be strengthened through the revival of pleasant memories associated with the school.

The following Old Boys have paid the supreme sacrifice: J.F.Acer; J.O.Alexander; G.Auld; E.N.Aylan-Parker; E.R.Bennett; H.H.Bennett; E.F.H.Boothroyd; A.Breakey; J.P.Buckley; P.W.Davis; R.W.Davis; C.A.Desbaillets; H.de G.Domville; R.Duffett; R.B.Duncan; P.M.Davis; R.Eaton; L.J.Foss; D.Gibson; M.S.Grant; H.Grinstad; W.T.Hall; G.Hanson; P.H.A.Hertzberg; P.G.Holt; J.K.Johnston; P.Leslie; B.F.Lynn; R.G.Mackay; H.E.Mackenzie; E.McCuaig; A.R.H.Robinson; J.F.Ross; G.M.S.Stairs; G.E.Starke; R.A.Starke; H.Stethem; D.R.Stewart; T.B.Stoker; J.H.C.Wallace; W.T.Willison; A.Woodside; H.E.Wood; T.E.Rising; Flt/Lt. =====

As the Bulletin is now going to all Old Boys whether they are on Active
Service or not, there will probably be a number of readers of this
issue who have been out of touch with the School for some time, in some
cases perhaps for years. Therefore it seems that a brief re-statement
of the current situation at the School, its buildings and so on, might
be in order - hence the map on the back of this sheet. We hope it will
bring new readers up to date, and that they will write us for any
information about the School that they wish.
